**Forward Looking Statements**

Any statements set forth herein that are not historical facts are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements.

Forward-looking statements can be recognized by the use of words such as “expects,” “plans,” “will,” “could,” “estimates,” “projects,” “intends,” or words of similar meaning. Such forward-looking statements speak only as of the date of this press release and are not guarantees of future performance. Such forward-looking statements involve risks and uncertainties that may cause actual results, performance

or financial condition to materially differ from those expressed or implied in the forward-looking statements as a result of various factors and assumptions.

The Company undertakes no obligation to revise forward-looking statements to reflect events or circumstances after the date of this press release. Potential risks and uncertainties including changes in applicable regulations, and other information detailed from time to time in the Company's filings and future filings with the Borsa Istanbul or the Turkish Capital Markets Board. Accordingly, although the Company believes that the expectations reflected in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct.
