About Bizim Toptan

Incorporated in 2001 and headquartered in Istanbul, Bizim Toptan Satış Mağazaları A.Ş. (Bizim Toptan) is a leading cash and carry wholesaler in Turkey. Bizim Toptan operates one of the largest networks with a national footprint of 173 stores, located in 70 out of 81 major cities throughout Turkey. The Company sells branded food products, non-alcoholic beverages, tobacco, household chemicals and personal hygiene products to a diverse mix of customers which include: wholesalers, traders/distributor wholesalers, “bakkals,” local markets, supermarkets, specialized retailers, corporate institutions, and HORECA (hotels, restaurants and cafes) customers among others. The Company’s product offering consists of approximately 3,500 stock keeping units (“SKUs”) nationwide and can be grouped as branded products and private label products. Bizim Toptan is traded on the Borsa İstanbul under the ticker BIZIM TI (Bloomberg) and BIZIM.IS (Reuters). For more information on Bizim Toptan, please visit us at www.bizimtoptan.com.tr

Forward Looking Statements

Any statements set forth herein that are not historical facts are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those in the forward-looking statements.

Forward-looking statements can be recognized by the use of words such as “expects,” “plans,” “will,” “could”, “estimates,” “projects,” “intends,” or words of similar meaning. Such forward-looking statements speak only as of the date of this press release and are not guarantees of future performance. Such forward-looking statements involve risks and uncertainties that may cause actual results, performance or financial condition to materially differ from those expressed or implied in the forward-looking statements as a result of various factors and assumptions.

The Company undertakes no obligation to revise forward-looking statements to reflect events or circumstances after the date of this press release. Potential risks and uncertainties including changes

in applicable regulations, and other information detailed from time to time in the Company's filings and future filings with the Borsa Istanbul or the Turkish Capital Markets Board. Accordingly, although the Company believes that the expectations reflected in such forward-looking statements are reasonable, there can be no assurance that such expectations will prove to be correct.
